Established in 1990 as the **PETER F. DRUCKER FOUNDATION FOR NONPROFIT MANAGEMENT**, the **LEADER TO LEADER INSTITUTE** furthers its mission—to strengthen the leadership of the social sector—by providing social sector leaders with essential leadership wisdom, inspiration and resources to lead for innovation and to build vibrant social sector organizations. It is this essential social sector, in collaboration with its partners in the private and public sectors, that changes lives and builds a society of healthy children, strong families, decent housing, good schools, work that dignifies, all embraced by the diverse, inclusive, cohesive community that cares about all of its people.
